

MICHAEL TRANCE

Having played all across the U.S & over-seas to producing and remixing, Michael Trance is a name that is no stranger to the electronic music scene.

Through the 90's the name Dj Michael Trance was synonymous with house music in the clubs and across the airwaves on the #1 radio mix-show on Saturday nights, PowerTools on L.A's Power 106 FM hosted by Richard Vission.

Currently Michael Trance can be heard monthly on the Super Estrella Afterhours show, Saturday nights from 1am to 4am on 107.1 fm in Los Angeles.

Production & remix credits include artist such as ColdPlay, Rihanna, Black Eyed Peas, Ke\$ha, Enrique Iglesias, Gotye, Cobra Starship & Calvin Harris ft. Ne-Yo.

Behind the scenes his programming, production and sound design have been heard on countless musical software & hardware instruments from companies such as Arturia, Roland, FXpansion, Ableton, Vengeance Sound, reFX, Image-Line, Native Instruments, Beatport Sounds & Sounds to Sample.

Michael recently signed on with the Blend Artists, a very up and coming artist management company that includes a talented roster of DJ's & musicians across the US.

Remixes & live DJ mixes are also available to download for free on
